

Born to Sail

it was designed. You were created and designed to be part of this ship. In short, you were born sail because that is what a ship is meant to do.

Intro to Ignite:

Our Purpose... to make disciples of Jesus! How does this happen at Ignite?

1. Ignite provides a way for you to discover a real relationship with a real and personal God
2. Ignite is a place where you can learn about the Bible, who God is, and how knowing God gives you real life
3. Ignite is a safe place to ask the hard questions about God and about faith. We don't pretend that we have all the answers, but we will try hard to help you on the road to making your faith real and your own.

My Challenge for you this year...

1. Seek God with all your heart and you will find him. We all want to find something in life that defines us and gives us real life. If you seek God, he promises that you will find him, and in finding him you will discover a life that you didn't know you could have.
2. Give God a chance to come into your life and change your heart.
3. Start praying for your friends and the people God has placed around you (including teachers) that don't know Jesus.

- ⇒ "What the Black Pearl really is... is freedom"
- ⇒ What the church really represents is not what it does or what it teaches, the church is real freedom. The church is God's gift to us. It helps us to stay on course, it helps us to learn about who God is, it helps us live life the way
